PHOENIX MAGAZINE’S TOP DOCS ISSUE LISTS EIGHT ARIZONA ONCOLOGY PHYSICIANS AS BEST IN THEIR FIELD

PHOENIX (May 10, 2014) — After surveying more than 5,000 physicians throughout Phoenix, Arizona Oncology’s Drs. John Bibb, Matthew Borst, Lanny Hecker, Mike Janicek, Jerry Lucas, Michael Roberts, Joseph Volk and Shana Wingo were selected by their peers as the best in their specialties for Phoenix magazine’s 2014 Top Docs edition.

Dr. Janicek received the highest number of votes among the gynecologic oncologists practicing in the Phoenix area. Drs. Borst and Wingo were also both selected as top doctors in gynecologic oncology. Drs. Bibb, Hecker, Roberts and Volk were named among the best doctors in hematology and oncology. Dr. Lucas was named one of the best doctors in radiation.

Arizona Oncology physicians have made the list every year. Doctors across Phoenix select who they think is the best in several specialties. Doctors with the highest number of votes are included in the magazine’s best-of list. Top Docs is the most-read of all Phoenix magazine’s editions and is widely regarded as the authoritative voice for finding a great doctor in the valley.

To learn more about Arizona Oncology’s doctors and services, visit www.arizonaoncology.com. Arizona Oncology is one of the largest medical groups in Arizona, with more than 60 practicing physicians devoted exclusively to the most comprehensive, compassionate and quality cancer care to patients in several communities throughout the state, including: Chandler, Cottonwood, Deer Valley, Flagstaff, Glendale, Green Valley, Marana, Nogales, Oro Valley, Phoenix, Prescott Valley, Safford, Scottsdale, Sedona, Sierra Vista and Tucson.

Arizona Oncology is united in healing with The US Oncology Network, one of the nation’s largest networks of integrated community-based oncology practices dedicated to advancing high-quality, evidence-based cancer care.

Phoenix magazine’s Top Docs edition is currently on newsstands and can be purchased throughout the Phoenix and Tucson areas. It may also be purchased online at http://www.phoenixmag.com or by calling 1-866-481-6970.
About Arizona Oncology
Arizona Oncology is one of the largest medical groups in Arizona, with more than 60 practicing physicians devoted exclusively to the most comprehensive, compassionate and quality cancer care to patients in several communities throughout the state, including: Chandler, Cottonwood, Deer Valley, Flagstaff, Glendale, Green Valley, Nogales, Oro Valley, Phoenix, Prescott Valley, Safford, Scottsdale, Sedona, and Tucson. Arizona Oncology believes it is beneficial to provide cancer therapies in a community setting, close to patients' homes and support systems. The physicians, including medical, radiation, and gynecologic oncologists, hematologist and stem cell transplant specialists, are supported by a talented clinical team sensitive to the needs of cancer patients and their caregivers. For more information, visit ArizonaOncology.com.

Arizona Oncology is united in healing with The US Oncology Network, one of the nation’s largest networks of integrated community-based oncology practices dedicated to advancing high-quality, evidence-based cancer care. As an affiliate of The US Oncology Network, Arizona Oncology is united with nearly 1,000 physicians nationwide. Arizona Oncology participates in clinical trials through US Oncology Research, which has played a role in 48 FDA-approved cancer therapies, nearly one-third of all cancer therapies approved by the FDA to date.
